Personal Care Cottages

The right care...in the right place

Good Morning...

Welcome back from what we hope for you...was and awesome Thanksgiving Celebration.

We are Thankful to and for all of our Community Partners!!

Unlimited Care...Assisted Living Cottages had most guests enjoy Thanksgiving at the Cottages and several families felt up to travel and dining at families home.

We are proud to let you know this week we have several openings and can serve new guests and families with...*Private Rooms, Shared or Companion Rooms, and end of life care.*

Wisdom and Inspiration:

- You are not stuck where you are unless you decide to be.
- Failure equals learning...you can never fail you produce results.
- Are you part of the problem or part of the solution?
- The more you give away...the more you get back.
- If prayer is you talking to God, then intuition is God talking to you.

Make it a great week!!

Feel free to forward to your place of worship and help us get the word out.
